

# Cedar Point Elementary PTA

## *Join the PTA Today!*

The Cedar Point PTA works hard to fund assemblies and special programs for the children throughout the year, and to supplement the school's budget for special items and events as needed.

With each membership, receive one Student Directory (per address) for K through 5th grade. Votes in the Virginia State PTA are based on membership. Each vote helps our school district have a big voice in state lobbying and decisions. Issues important to us can be heard if our membership is strong.

A Family membership costs only \$10 and counts as two votes, and an Individual Membership is \$5 and counts as one. After state and national fees are paid from these dues, the remaining amount finances the PTA chapter's daily operations, including the cost of printing the directories and the PTA newsletters.

Look for more information on the PTA programs and ways you can become involved at the 1st PTA meeting on September 10th at 7:30pm, held in the school gym. Or you can check out the PTA website at [www.cedarpointpta.org](http://www.cedarpointpta.org).

**Please print clearly, we want to make sure this is accurate!**
